Lawn and Garden

Life (Lawn & Garden) Style

By Alexandria Masters

"Every man should be born again on the first day of January. Start with a fresh page. Take up one hole more in the buckle if necessary, or let down one, according to circumstances; but on the first of January let every man gird himself once more, with his face to the front, and take no interest in the things that were and are past."

~ Henry Ward Beecher

January is a time where all that is old becomes new again. It gives us a clean slate to do things right this time around. The goals of yesterday become our resolutions for today. The resolutions we set for ourselves are often ones we feel others expect from us: losing 5 lbs., being nicer to family members, becoming organized. If it isn't important to you, don't let others dictate it in your life! Have you considered something outside the box for a resolution? Things such as: improving your writing skills, learning to play the guitar, learning how to make soap, or even how to improve your cooking skills? Choose to make resolutions that make you happier: recognizing what makes you happy and doing it, spending more time outside, or even NOT organizing that pile of papers on your desk. Make this year one that makes you happy. You only have 12 months, so get going!

What you need to do in the month of January

- ★ **Home:** Now that the holiday decorations have all been put away, have you noticed that your front entry way could use some pizzazz? Consider replacing your door hardware, or even installing a chic door knocker or kickplate. There are so many unique and stylish designs available. Check out vintage shops, home improvement stores, and of course online to find just what you are looking for! (A KICKPLATE WILL ADD A DASH OF ELEGANCE, AS WELL AS PREVENTING SCUFFS AND DENTS FROM KIDS, PETS, AND HUSBANDS).
- ★ **Lawn:** Remove large debris, such as broken tree branches, from the lawn after winter storms, especially if snow is expected. The weight of such items under snow can damage the grass. Stay off frozen grass as much as possible, even to the point of avoiding walking on the lawn. Do not apply fertilizer or thatch the lawn until the ground has thawed and there is no danger of another frost.
- ★ **Garden:** Add 'Keep a Garden Journal' to your list of New Year's resolutions. Make note of which varieties of flowers and vegetables do best and which do poorly. Be sure to include pictures from each season for easy recollection!
 - ★ **And...** Feed the birds. Make sure that you are keeping your bird feeders full throughout the winter months. They love suet, fruit, nuts, and bread crumbs in addition to bird seed. Also, see that they have a fresh water supply.

WE'LL GIVE YOU THE TIPS, TRICKS, AND TRENDS YOU'RE LOOKING FOR, RIGHT HERE IN YOUR NEIGHBORHOOD NEWSLETTER TO MAKE YOUR LANDSCAPING DREAMS YOUR NEW REALITY!

Homeowners Golf Course Update

We are pleased with the progress made at StoneRidge golf club this year. The staff has moved the club forward in blending a membership product and daily fee play. The industry is challenged by declining rounds of golf and continued reduction in new players entering the game. StoneRidge is in a better position to meet expectations in today's changing golf business.

The owner has committed to making both physical and personnel improvements in 2015.

1. Complete facelift of the Grille to include, carpet, new table and chairs, patio decking resurface, new patio furniture and waterproofing of the covering
2. Re landscape the event area to include, permanent stage and event platform and resurfacing the parking lot
3. Construct additional restrooms adjacent to the outside service area making the turn times faster and more convenience for banquets and special events

Along with the physical improvements planned we'll be hiring an Executive Chef. We know how important it is to all of our members, guests and homeowners to enjoy a menu prepared and presented by a culinary trained chef. We look forward to providing the latest cuisine prepared with passion and professionalism. We'll be providing evening dining and special Chef hosted events such as Wine makers' dinners, Chefs 'table, Cuisine of the Land, and private parties. We want the Grille at StoneRidge to be your choice for dining by earning your confidence in our staff, products and services.

STONERIDGE

Reminder: Stoneridge residents receive preferred pricing in the golf shop and Grille. Please stop by to placed on this homeowner list.

The golf staff will continue to provide a full service golf shop offering the latest fashion trends in Men's and Women's golf apparel as well as the hottest golf equipment from all of the name brand manufacturers. We have demo clubs available in the golf shop to try and we are in discussions with the manufacturer's reps to plan a date for a multi vendor demo day in early spring. If you don't see what you want in stock, we are more than happy to place a special order for that item.

We are proud to say that participation in the Men's Club, Ladies' League and the Nine Hole Group continues to grow each year. If you would like to join one of these groups please talk to a member of the golf shop staff and we would be more than happy to introduce you to the group. We have made an effort to improve pace of play by having Ray Miller our starter and better marking of the course. We also have added a Green /White and Gold/ Black combo tees to improve playability and speed of play. We continue make every effort to provide member tee times prior to tournament play. The interclub play was successful and will continue with an additional club. Check the Pro Shop for details.

If there is anything we can do to enhance your experience at StoneRidge, please don't hesitate to ask. We are here to meet your expectations and enhance the your enjoyment of the club and add value to the community .
