I understand that two (2) homeowner Board positions will be open on the StoneRidge at Prescott Valley Community Association Board of Directors because two homeowner Board positions will expire at the annual meeting in 2019. The Board Member who receives the highest number of votes will serve a three (3) year term and the Board Member who receives the second highest number of votes will serve a two (2) year term.

I can make a contribution to the business aspects of the Association and represent all of the Association as a member on the Board. I understand that the Board of Directors is charged with the responsibility to govern the affairs of the Association according to the Association's Documents and I myself must fully understand those documents and must not be in personal violation of any part of them. I understand that the Board of Directors must make its decisions based on what is in the best interest of the community as a whole, not on the interest of any individual lot owner or group of lot owners and I believe I can make a contribution to this decision making process. If a vote does not go my way, I will fully support the Board's final decision. If I am selected to be a candidate for nomination and elected to the Board of Directors, I will not use my position to gain personal power or advantages not available to the non-Board Association members.
